The Secretary  
Bundaberg Hospital Commission of Inquiry  
PO Box 13147  
George Street  
BRISBANE QLD 4000

Attention: Mr David Andrews SC

Dear Mr Andrews

Mr Peter Leck

We confirm our instructions to bring an application to the Supreme Court to have the Chairperson, Mr Morris QC, disqualified from further proceeding in the Bundaberg Hospital Commission of Inquiry on the basis that he has demonstrated apprehended bias against our client in respect of matters arising under the Inquiry.

We anticipate being in a position to file and serve material on Wednesday 6 July 2005 with a view to having a directions hearing in the application list on Friday 8 July or Monday 11 July 2005. This, of course does not allow for the service period required under the rules. Please let us know whether the Chairperson requires service within the time limits set out under the rules and we will ensure that those time limits are met.

Yours faithfully
