Dear Dr Cohn,

I am writing to you once more in relation to the allegations against a surgeon operating at the Bundaberg Base Hospital, where serious concerns have been raised about the professional ability and clinical competency of a surgeon.

Firstly, please acknowledge receipt of a letter that I sent to you on 22 March with regard to this issue.

Further, I wish to request the official date Queensland Health referred this matter to your Board.

Please advise me accordingly at your earliest convenience.

Thank you and I look forward to your reply.

Yours faithfully,

Rob Messenger MP  
Member for Burnett  
Shadow Minister for Education and The Arts
