BRISBANE Q 4001

Dear Sir

In response to a request by the Medical Board of Queensland to submit a detailed report on the utilisation of conditionally registered Temporary Resident Doctors sponsored by Family Care Medical Services, the required report is as follows.

We ask it be noted that all TRD's sponsored by Family Care Medical Services work in either a Geographical or Functional area of unmet need.

All Principal GPs supplied with a TRD as Locum relief are required to sign a Statutory Declaration to guarantee the locum is being utilised to replace a doctor from the practice, who will be taking leave and not utilising his/her Provider Number during the term of the locum. All TRD's (except rural placements) do some hours on the After-Hours Deputising Roster in Brisbane.

Should you require clarification of any portion of this report – please do not hesitate to contact me.

Yours sincerely

Kaye Maver
Manager, Medical Workforce & Locum Agency
