Hi Bezza,

I didn't get to catch up with you when I was in town for that one night, but I come back on the 15th Nov -20th Nov. So we can catch up then. I didn't go to the HRC but went to see PL and LM instead with a big report about JP, I only hope that it doesn't backfire on me big time. LM and PL seemed horrified so I hope justice is done. SWEETPEA is up in Exec being grand poobah for a week, he was Carolyn for 2 weeks. He has just had his floors all polished, he has been living in the shed for a week. We have had a couple of decent storms here and it is a bit greener, but so bloody hot, I am having another A/C put in my house to totally A/C the whole house, its too humid here to do anything else. Stapph has been a busy bee, Dilys got the NUM job, We are going out for Jenny Whites farewell on Fri, soon it willl nearly be time to do the Bundaberg xmas lights show !!!!! turn here, go there, oh theres no road there gun it . stop, start.... ra ra ra,

Shall be in touch before I come down, Is the wedding still on in April???

Sweetpea is going to Bali next week
 bye for now

Hi all,

hope that the champagne and pizza on the deck was fun...we had a great time with some old friends from PA on Fri night and Don and Doris and desley and Noeal on sat...a big weekend....Paddy...Don and Doris want to know what your sugar levels are..it is a comp between you and Don you know!! We have only 2 weeks to go till our holiday and getting very excited.

Holly...do you have any ICU staff who are interested in wirking her at Holy Spirit for a term..any time would be great..I just managed not to cancel surgery today but things are desperate...maybe someone on leave wants to earn some more money!!! our ICU is lovely and the patients are mostly post op cardiac and big gut as well as CCU..let me know if anyone is interested ina short term contract ..no matter how short or long. We are down 7 FTE ..al the other Bris hospitals are in the same boat so no one is able to help out.

Love to all.

Hi Guys,

How are you all surviving in the big smoke, we must start thinking about our next adventure. All is the same here, FG situation unchanged. Paddy's idea of putting condoms on a little clothline down in the naughty park went down a treat, but then he was told to remove them and he has some interesting adventures on condom safari (Bit like Steve Irwin) except for crocs read conds. Best if he tells the story. It has been horribly busy here at work, We are going down for pizza and champagne on the deck tomorrow,

Bye for now,

Hol Bol (PS Stapph has lost . 6 kgs and is looking pretty spiffy, Watch out Elle Mc pherson. !!!!!)
