c/- Counsel Assisting the
Queensland Public Hospitals Commission of Inquiry
BRISBANE QLD 4000

Dear Sir

Queensland Public Hospitals Commission of Inquiry
Our client: Dr Buckland

Paragraphs 2 to 5 of our client's second witness statement were intended to provide a short statement of the sequence of events relating to his two witness statements.

Our client accepts that this is a new Commission of Inquiry that is not bound by the statement given on 23 August 2005 by the previous Commission.

Paragraph 5 was not intended to suggest otherwise.

The findings that this Commission makes – positive or negative – about any person, or about systemic issues are a matter for it.

We trust that this clarifies the matter.

Yours faithfully

MINTER ELLISON
