Dear Dr Buckland

Re: Issues In Relation to Overseas Trained Doctors and Area of Need Registration

I refer to our meeting of 11 December 2002 when we discussed this matter. At that time, it was indicated you would be establishing a stakeholder working party to further explore these issues and their resolution.

The Medical Board is anxious to progress such exploration and resolution and, as such, I seek your advice as to the progress in establishing the working party.

Should you wish to discuss this matter with me further, please do not hesitate to contact me.

Yours sincerely

Jim O'Dempsey
