Dear Dr Patel,

You have been granted special purpose registration as a Medical Practitioner in Queensland pursuant to Section 135 of the *Medical Practitioners Registration Act 2001*, effective from 1 April 2003 and valid until 31 March 2004.

Special purpose registration enables you to practise as a Senior Medical Officer in surgery at Bundaberg Base Hospital or any other public hospital authorised by the Medical Superintendent on a temporary basis. **It is advised that you are not registered as a specialist.** Any variation to your practice would require further approval by the Board. **You should also note that the above approval is for a specific purpose to be undertaken in the defined period of time.**

Registration ceases on the date mentioned above. An application for further registration must be made if a further period of registration is required.

While registration in this category is approved by the Board for an initial term of not more than twelve months, any further term of registration in relation to the above activity would be dependent upon the Board remaining satisfied that you are suitably qualified and experienced to fill the vacancy. Registrants who become eligible to sit the examinations of the Australian Medical Council are strongly urged to register with the council.

Notification when you cease to carry out the occupation referred to is required. A letter addressed to the Registrar notifying the termination of your occupation is enclosed and must be signed and sent to the Registrar at the due time. Maximum penalty - 10 penalty units (\$750.00)

Please note that you are required to notify this office in writing within 21 days of any change of address, name, the way in which you undertake the special purpose activity or if you cease to be qualified for registration. Maximum penalty - 10 penalty units (\$750.00).
