**Subject:** Dr Jay Patel

Hi Paul,

The Bundaberg Newsmail have faxed a copy of a letter they have received from the National Party which was sent from the Nurse Unit Manager to myself in late October 2004 making allegations in relation to Dr Jay Patel.

The letter goes into detail about her concerns with outcomes of some of Dr Patel's patients.

Thought you should be aware of same.

Am happy to fax you a copy if required.

Peter
